Fight Song

This is the North High fighting song.
We sing with pride and joy.
Through snow or rain we'll win our games,
High shall our purpose be.
Fight, fight, fight, for victory,
Our fame and glory too.

The sock hop of the '50's and the flower children and hippies from the exciting '60's are as memorable as the great '70's, with the heart-breaking end of the Beatles, the cut of cigarette commercials on television, the terrifying Manson Murders, the much desired end of the Vietnam War, the Watergate Scandal, the fuel shortage, the brave antics of the streakers, the motion picture thriller "Jaws", the celebration of America's 200th birthday, and the sudden deaths of Elvis Presley and Bing Crosby.

When '78 came, everybody was looking toward a whole new year. It was almost the end of the decade. Now with '79 upon us, the anticipation is even greater.

Nineteen Seventy Nine is the marking point which we (the '79 graduates) strove to accomplish. Our goals were set from the beginning of 1975 to work and succeed in reaching the year 1979 and when this goal was achieved, then the first step toward the future had been completed.

With the memories left behind us, we can now enter into the whole new decade of the '80's. As you reminisce through this book, finding all your friends and all your pictures, just remember the Silhouettes of '79 are living in this school and we as North Stars stand out and make a mark.

Fall Sports Queen

In 1979, four girls were nominated for Fall Sports Queen. The varsity football and the varsity cross country teams nominated the princesses. The princesses elected were: Linda Goen escorted by Don Allsman, Elaine Sadocchi escorted by Jeff Yarbrough, Lynette Wilson escorted by Mark Wyatt, and Debbie Lanier escorted by Don Burns. All four girls were seniors which follows custom established at North High. Crowning this years queen was Teresa Gardner. 1979 Fall Sports Queen was Elaine Sadocchi¹⁰

Homecoming!!!

Homecoming was October 30th thru November 3rd. Spirit was shown by 50's dress-up Day, Nurd Day, Wild West Day, Toga Day, and Hippie Day. On the previous Friday, the officers had a rally showing how to dress appropriately. At another rally on Homecoming Friday Mr. Eliades kissed a pig. Max DuPuy won the marshmellow eating contest, and the beard growing contest had a lot of cute fuzzy faces. Afterward there was a sit-in. The Interact club sponsored a dunking booth, and were able to get Mr. Short up on it. The week really turned out be be a great success, showing that North High really has spirit

riomecoming Week was a real success. During that week the Homecoming Queen was to be chosen for that special Friday nits: The game against Highland was a successful victory for the North Stars. Danny Driller: Burned

Driller Killer week was cut short again in 1979 because of Thanksgiving holidays. Spirit was shown by wearing overalls and Drill Killer written on them with tape, and with D.K. emblems on the back. Also, Danny Driller was burned on a detrick as the tradition continued. The game was played against the Bakersfield High Drillers We lost the game, but spirit was shown really well throughout the game and all week

Aggressive Seniors

The Powder Puff Game was an allout effort from both teams to win the honor of becoming the best girls' football team at North High. The game was a class competition between the Senior and Junior girls. If the Seniors had won, it would have clearly defined and recognized the prestige they had over the Juniors. However, the Juniors out-ran and scored against the Seniors, winning the game by a span of six points, finalizing the score at 14 to 8

Coaching the Seniors were Mr. Bimat and Mr. Burrows, and coaching the Juniors were Mr. Lancastor and Mr. Shearer. Practices were held daily for two weeks before the game, either before or after school hours.

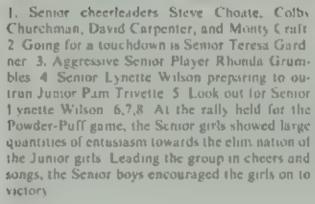

In one of the individual rivalries during the game, there was a minor accident causing a broken nose for a Senior girl. Spirit was high and on the previous night, houses of both sides were toiletpapered and cars received messages written in lipstick. From these antics it was obvious that everyone was determined to win the game-if not physically, then psychologically.

STARS PLACE 4th

The whole outstanding team of varsity football was, as coach Turk Eliades said, a unity of "All offense and all defense!"

One big event that happened this year was the second consecutive win over a strong South High team

The varsity team was formed out of good players such as Most Valuable Player, Colby Churchman, Most Inspirational Player, Gary Hall and Most Outstanding Lineman, Don Rush.

The varsity did well this year. They achieved fourth in the league, three of the teams they played went to the playoffs, they were West, Foothill, and Mt Whitney

Coach Eliades stated, "The team had some bad luck with injuries but they played very well together."

All around, the boys' and girls' opposition was pretty tough, but not unbeatable

The girls achieved 2nd and boys' varsity achieved 3rd in the league

As the year went along, everyone improved and progressed very well. Everyone helped everybody else, which is why the teams came out so well spirited.

Most Valuable Girl Runner was Senior Linda Goen, and boys' Most Valuable Runner was senior Brian Stewart. Frosh-Soph Most Valuable Runner was Bob Poscy.

Coach Stan Ingram thought the group demonstrated a lot of potential, considering all of the unceasing work and energy that each member contributed.

Frosh-Soph Gain Experience

A very "fine football team" Coach Rod Stanley confirmed

The Frosh-Soph football team placed in the S Y.L.

Coach Stanley remarked, "The competition was tough this year as it always is in this league."

The boys gave up some touch downs, but that didn't stop them; they kept on going

The team as a group got along great and worked well together

Freshman Dean Munday was awarded Most Valuable Player, and sophomore Mark Gause Most Inspirational Player

The coaches and players with all their effort had an active year

Varsity Captures 3rd

This year was a successful season for the varsity volleyball team, with 8 wins and 4 losses

The competition was very strong, and the entire SYL league was very close Coach Judy McDole remarked that, "The girls' volleyball skill have grown and developed very well."

The team as a whole played very well together, placing third in the league Coach McDole was very proud that the team played good volleyball and very much up to her expectations

Suste Smith placed first team and Jill Turner placed second team in all league. It is the second time around for both of them. Most Improved player was Cindi Hargis, Most Inspirational player was Jill Turner and Suste Smith received Most Valuable Player.

New Coach, New Season

S-T-A-R-S!!! Many chapters in the "Book of Awesome" were written this winter by the North Stars Varsity basketball team

This team was a younger squad than in the past, with eight juniors and six seniors. The only three returnees were Don Allsman, Joe Vaughan, and Jim McDonald

The team posted a four and eight SYL record under the newly appointed Varsity coach Harry Maloney

A high point of the season was the opening SYL game against the South Rebel team. Coach Malonev and the team pointed toward this game throughout the preliminary part of the

season, and dedicated their performance and the game to previous varsity coach Lloyd Williams for his many years of hard work and dedication to his players and to basketball. Throughout the game, the Christmas vacation crowd was frequently on its feet by the spirited play of the Stars. In a fast finish, the Stars outscored the Rebels in the third and fourth quarters to win

Other high points included the home victory over Highland, in which the Stars outscored the Scots 20-2 in the third quarter

Star spirit was strong at BHS as the Drillers were defeated in their own gym, and the local newspaper headlines

read, "North Shocks Drillers."

Words to describe the team this year could be quick, tough, and scrappy. The players got along very well together; they had the ability to win in the league After the first round of play, paced by Jim McDonald's high scoring, Matt Johnston's rebounding and Don Allsman's alert all-around playmaking and ball handling, the team became stronger in the second round. Familiar sounds from the side line were "Patience" and "Work the ball," which were the keys to the Stars' success

Varsity Girls-Very Competitive

This year's Varsity girls basketball team was alive with good players. Debbie Ederra's drives and Cindy Schrock's inside power, plus Jill Turner's exceptional plays all proved to be major factors for the girls this season

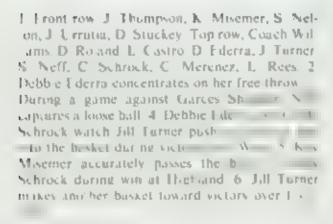

Coached by Jesse Williams, the leam's strongest area was in detense Of twenty-three games, the team came through with a very good fourteen wins

One of the many exciting victories was a close game at Highland. The Stars were down, 28 to 21 at the half-time, but began the second half with a

strong scoring attack, tying the score at 49-49 and then capturing the lead late in the fourth quarter. The Stars then moved ahead to 54-51, and held on for the win

There were six seniors on the squad this year. Four of those seniors, Jill Turner, Debbie Ederra, Jeannine Urrutia and Cindy Schrock have played on the varsity squad for four solid years Coach Williams announced, "Ability wise we were a very competitive group this year."

Eager To Play

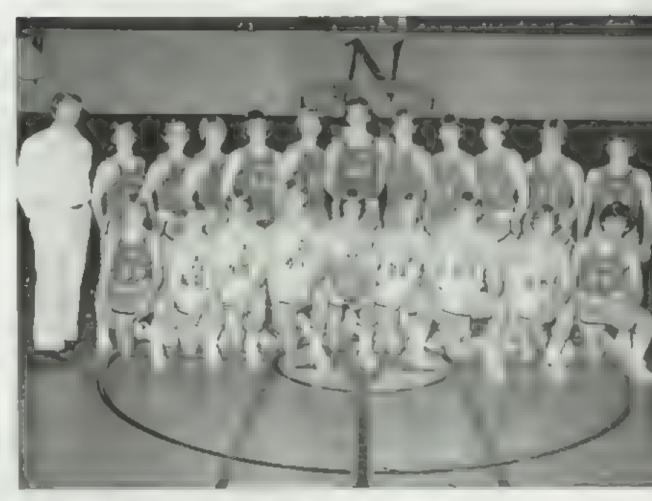

The frosh-soph boys basketball team, coached by Rod Lancaster, was a large squad this year, with a lot of talent.

Led by Eric Carlson, Steve Burnes, Scott Sutton, Bruce Walton, Brent Mixon, Larry Waldo and Curt Gretlein, the guys were always eager to play and never gave up. These players will be strengthening the varsity in the future

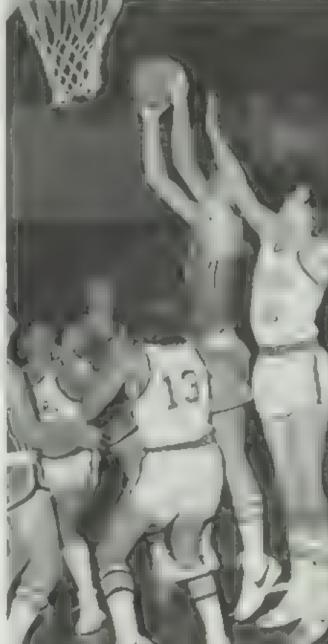

One of the highlights of the season was the defeat of South in the first conference game. The Novas led all the way through the game Another was the victory over West in the Viking gym, when we again led all the way, and won The victory over Foothill was yet another exciting game. The Novas were behind until half-time, but caught up, tied the score and won

First Year For Team

Although it was only their first year of existence, the frosh-soph girls' basketball team did exceptionally well Fourteen members strong, the girls' team played well beyond the expectations of their coach, Joyce Cook

The team got along and stuck together when the going got tough. They played so well they defeated every team in their league, at least once. Coach Cook will have many returnees in the upcoming year, so we look forward to a good season again next year

Stars Win Championship Again!

The Varsity wrestling team was largely a returning grappler squad, with Colby Churchman, Steve Choate, and Darin Hargis wrestling their fourth year on the varsity squad. Jeff Carter, Mark Briscoe, and Lance McCullah were also returnees. Colby Churchman was the defending champion of his weight in the SYL, and Steve Choate and Lance McCullah had excellent records to support

North's team was the largest team in Kern County with 61 members; much larger than the average high school squad. Along with being the largest, our team had the best quality in the whole league. The team proved that by winning the SYL dual meet championship this year for the second year in a row

this year for the second year in a row Coach Gary Kuster and Coach Stanley O'Brien were very proud of their team and they should be. It has been an exceptionally good year

The J.V. Wrestling squad did very well despite the fact they had only one experienced J V. man Craig Small, who completed the season with a 14-2 record, and Mark Park with a 12-2 record, were two of the outstanding members of the squad. Many of the wrestlers placed high in the Highland Tournament, Jayson Gretlein finished in 1st place in the 145 weight division and finished the season with a 13-3 mark. The J V. team showed outstanding improvement on their skills this year and really were fun for the crowd to watch. Next year's varsity wrestling team should be greatly strengthened by the determination of these grapplers.

Still Going Strong

What arises at 5:30 A.M., sleepily drives their car to school, staggers into a Speedo, flops into a medium-warm pool, and finally wakes up? A North High swimmer, of course.

High swimmer, of course.

This year's team was 25 strong, including the frosh-soph. North has always been a strong team, and this year was no different. Last year's team

picked up second place. This year they planned on getting first

The talent, combined with the hard work and determination the team put out, made their chances and goals easier to reach. The boys' practicing every morning and every night, is what made them their best.

Excellence Still There

Girls' varsity swimmers expected to maintain their winning record, after finishing in the strong runner-up position in the SYL in 1978. Returning sensors included Diana Martinez and Susse Smith, as the season began. Joining the varsity this year was diver Lynn Donaldson, who placed first as a junior varsity member last year.

The juntor varsity squad had captured first po-

sition in the SYL for each of the past two years, and again were pointing to a top season

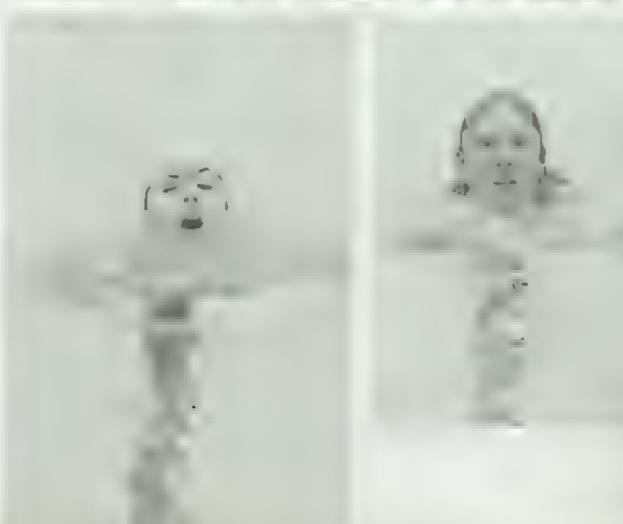

Having to swim in the Jessesson swimming pool was the way the girl's North High team started out this year, because of early difficulties with North High's regular pool

The team had about thirty girls on it this year. This included four seniors, three jumors and ten sophomores. The team is about the same size at last year, and the excellence is still there. There were some difficulties because of the rains but the girls overcame them.

The team faced keen competition, but the girls had the team to meet the challenge. Some girls attended the morning practices, and all swam is the afternoon.

Winning Tradition

North's varsity baseball team looked forward to a challenging but successful season this year. Early season victories assured carrying on the winning tradition of previous years.

Returning players from last year's varsity team included Rob Emerson and Colby Churchman, who were first-Team All League pitcher and outfielder; Monty Craft, starting shortstop, and Steve Choate, catcher

Some players coming from the junior varsity championship team were Raymond Baugher, most valuable player, Wayne Gaines, Gary Hall, Monty Hannah, Mike Swan, Kevin Dunn, Jim Smith and Mike Cody. The SYL is tough, and North expected that its toughest contenders would be Bakersfield, West, and Highland

Stars Have Strong Enthusiasm

What a pitcher! This comment was one that was applied to Laurie Warkentin, pitcher for the Girl's Varsity Softball Team. Laurie worked hard before the season to get her rifle-arm pitch on target. One example of the results was her striking out of ten batters in an early-season game with Porterville

The team was backed by strong hitters such as junior Shannon Neff, and freshman Anne Turner, a good bet in the next few years. The team began the season with several well-played victories. One example was the defeat of Porterville, in which Luann Sweet drove in two winning runs with a seventh-inning home run. Another nice victory to remember was the 13-0 drubbing of Wasco. There were cold winds blowing but it did not affect the (everyone gets a hit) team. There was truly boundless enthusiasm on this team, as expressed by the girls

Very Talented Group

There were 19 returning Frosh-soph baseball players this year. Some of them were Danny Lemon, Kevin Thompson, Steve Napier, Brian Campbell, and Alan Sabo. 3 weeks before the season started for pre-season conditioning last year's team got second place in the league, with a 9-3 record. Coach O'Brien expected to finish better than last year, inevitably, first. They were a very talented group of sophomores on the team which played last year; thats why coach O'Brien's expectations were so high. The team was backed by many good freshmen

First Year Frosh-Soph

The girls' softball team worked hard this year getting into shape for a hard season, with a lot of running and stretching, throwing, fielding, and batting. There were good hopes for returning members which included Cindy McNamara, Michelle Purkiser, Stacy Pemberton and Sherie Froehlich. Mrs. Jackson, first year frosh-soph softball coach, said they played very well and that she was very proud of them. She also added that they worked very hard to achieve their goals. The coach and players were very satisfied with their season

Organization, talent, cooperation and willingness all equal one thing the tennis team

Conditioning started in February. While running bleachers, wind sprints and doing bench steps, all kept in the good condition required for the rigors of tennis playing.

At the beginning of the season the team looked extremely well, which was in keeping with North High tradition, and the strong athletic ability took command throughout the season.

The coaches expected teamwork with full physical and mental capacity performance from each and every team member

Good Prospects For Track

The Star's track season opened with many strong returning competitors this year

"We've got plenty of frosh-soph determination," says Coach Ingram, "But we're a little short on upper classmen It's just one of those years."

Senior Don Allsman, one of the most versatile members of the squad, competed in the long jump, the triple, and the high jumps, the high and low hurdles, the 440, the 880, and the mile relay

Senior Rich Been, a 330-low hurdler with 40.5 clocking, also long jumped and triple jumped for the Stars

One of our stalwarts in distance races was junior Dan Rivers. As a freshman, Dan was second in the two-mile (in frosh-soph competition.)

Senior Brian Stewart, a two-miler, "is an outstanding prospect," Ingram said. "A point-getter."

Other runners to count on included returnee junior Steve Adams in the 880, 440, and mile relay, and sophomore returnee Todd Schrock in the mile and two-mile

The German Club consisted of thirty members who had had or were in a German class. The president was Gina Burrow, vice president was Kathy Dela, secretary was Cheryl VanCleave, and the treasurer was Wendy Weller

The Oktoberfest, at Alpine Village in Los Angeles, was one of the many field trips taken where the members listened and experienced German cultures

The club sold T-Shirts, buttons, gummibarer (jelly bears), and sponsored an April dance

Working on cars and improving shop technique are just two things that the Auto Club did The club also had many fund raising drives such as selling at the swap meet, holding car washes, and conducting a scrap metal drive in October. The club tuned up teachers' cars to get experience and worked on the spirit truck for homecoming. The president was Ralph Hutcheson, vice president was Jerry Hill, and recorder treasurer was John Wallace

The FHA Club has tacked some more letters to it's name, "FHA-HERO Future Homemakers of America Home Economics Requested Occupation." These new words mean something very simple; that boys may join the club. The club competes at national and local levels. Some areas of competition include salad making, telling stories to little children, and applying for a job. The club visited rest homes, and a party for the kids in shelter care

The Public Address Club did exactly what one would think it would do. The members learned about public address systems, or as we would call them p.a systems. They also set up the equipment for all North High rallies and football games. The officers were: President Roy Allard, Vice President Keith Stewart, Secretary Gina Vincent, and Treasurer Dale Blackburn

The NFL Club headed by Mr. Redman had 45 members. The club competed in many local and state competition speech and debate tournaments. The group sought to achieve the same degrees of success that they had during the previous years

The Distributive Education Club of America, or more commonly known as Dł (A, was made up of members interested in retailing and merchandising. The club participated in state-wide competition and conferences. They also sold key-chains to make money. The officers were President. Terry Orr, Secretary: Kevin Harbin Treasurer: Melissa Kenny

The members of the Optimist Club had the word "serving" as their key word for this year. That is, the club had projects for the Crippled Childrens Society. The Optimists gave a lot of their assistance to the North Bakersfield Service Club, also with the North of the River Christmas Parade. Several trips were also planned throughout the year

The North High Sports Club was composed of twenty-eight members this year. The President was Mona Bohrer, Vice President Kelly Childers, Secretary Lori Mazza, Treasurer Cindy Schrock, and Publicity Sandy Nelson. The club participated in many sports such as tennis, badminton, basketball, softball, and volleyball. The Sports Club was formed in order to have other schools participate against each other just for the fun of it

The Interact Club really earned the name "service." The club sponsored the faculty student basketball game and the Valentine Day Dance. Interact Members made a welcoming committee for new students on campus, they also worked on the March of Dime telethons, and with the Rotary Club. The Club also did the construction for the star becon and towed the car for the victory bell. The President is Craig Ridley, Vice President Cheryl Van Cleave, Secretary Cathy Southwood and Treasurer Donna Robbins.

The Grenad ers were made up of both the bind and drill team. The one hundred-fifteen members had car washes, bottle drives and canned food drives in order to raise money. The band went on trips to Magic Mountain, Disneyland, Universal Studios and Marriott's Great America. They also attended the Arvin band competition, where our division, A, placed second

Ever wonder what it would be like to become a teacher? North High had such a club, giving students the chance to teach in several areas, such as Spanish, P E. and English. Mr. Heber was advisor to the eligible students. Members had to be juniors or seniors and must earn a B in the subject taught

"Salut mes amis" was something a North High French Club member might say to a friend

This year the French club tried influencing the club members to study more French in order to more fluently communicate in French with one another

The club explored the French culture by way of attending French shows and cating in French restaurants.

The club attended the Foreign Language Festival again this year at Cal State Bakersfield

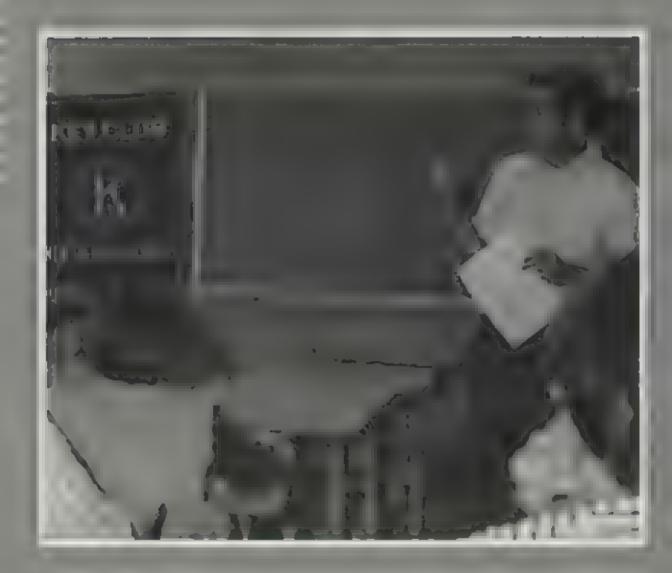

The Adventurers club had a big sixty-five members.

They took many trips, including going to Universal Studios and to the Tulare County Fair International Farm Equipment Exposition. The club had several forms of physical exercise, such as swimming, karate, golf and skating.

The Spanish Honor Society was a club formed for students in the third and fourth level of Spanish. The members tried to promote an interest in Spanish. They went to Los Angeles to see the Flamenco Ballet, and afterward to lunch and shopping. The president was John Bertolucci, vice president, Kristi Caughell and treasurer, Dan Rivers

The Handball club consisted of competitive members. Many hours went into practice and competition with four other high schools here in Bakersfield. The high schools in competition were Bakersfield High, Highland High, West High, and South High. Since handball was not included in the North High Sports program, the students who wanted recognition and opportunity to meet and participate in competition with others formed the club. The advisor was Coach Terry Hill, with Mark Yarberry as president and Troy Dunn as vice president

The club was very successful in their money making projects For example, picking apples. Going to Magic Mountain and the Los Angeles County Museum were just a few of the trips they took this year

The Business Club had eleven members that explored the many aspects of the typical business field. To get a closer look at the many different business fields, they visited the Tenneco Company and various other corporations, including the field of computers. Advisor for the club was Mrs. Williams, President was Kevin Altenhofel, Vice President was Frank Martell, and the Secretary was Sherry Cooley.

Gaining some social experience was what the Action Club was all about President was Angela Phillips, Vice President was Teri Wallace and Secretary Mike Houchin were just three of the thirty members in the club. To get this experience the club picked apples and sold candy, they used the money to go one step further and go out to dinner and shopping were their big projects this year. Some other projects were going to the Los Angeles Museum of Natural History

The California Scholarship Association or CSF, is considered a state organization. Many Students applied each semester but were accepted only if the requirements were met. "This year's Executive Board was made up of great, intelligent, hard-working, and fun people, who were really trying to make high school fun," according to ASB President, Don Allsman

The executive board improved relations with the teachers, created more activities and kept working the whole year. They sponsored the Homecoming activities, Treasure Hunt, Gong Show, Car Show, Staff Appreciation Week, Steve Martin Rally, and the Student Forum

The major function of the executive board was to decide on student policies, create a learning situation for student leadership, plan activities for students, and act as a liaison between students and other groups

Staff records one year of memorable North High history

From a student body of 2300 students, nineteen active student journalists covered this year's events for the Galaxy of 1979

The average work week of a staff member was a busy one, and on occasion the whole staff met at a member's home on a Saturday for work or recreation. The requirements needed to become a member were creativity, ability to write, motivation, and a majority of free time open to yearbooking, but most importantly dedication

The actual planning of the 1979 Galaxy began during the spring of 1978, when ideas were developed concerning the book's content, theme, number of pages, budget, color selections and

much more

Keeping up with new ideas of what a good yearbook should look like and contain are the biggest challenges that any yearbook staff confronts. To solve problems there were workshops for idea swapping, brainstorming for material, and fresh inventive ways of dealing with the routine parts of yearbook production. Members of the Galaxy staff attended such a workshop in August of 1978, on the campus of the University of California in San Diego. Hundreds of students came from all over California to participate. The faculty consisted of advisors from various parts of the United States. The camp lasted for a week, with classes each day covering all areas of yearbook production. Recreation included volleyball, swimming, tennis, a Padres vs. Reds baseball game, a harbor cruise with a live disco band and a barbecue beach party. Later in the year staff members also spent a very interesting day at the plant in Visalia and saw how a yearbook is printed and assemblied

Each time, the staff returned to Bakersfield and the North High campus with much enthusiasm toward making this year's Galaxy a record of memorable history

Varsity Well Lead

The Varsity Cheerleaders are the most responsible and the most experienced cheerleading squad on campus. This is a group made up of hard-working girls. In addition to promoting spirit among the student body at rallies and games, helping plan rallies, and working out, each had jobs and grades to think about, too

The whole team went to cheerleading camp for a week to improve their already great cheerleading ability. There were many awards given out

One cheerleader stated, "One of the hardest things about being a cheer-leader is that people expect so much out of you."

Junior Varsity Cheerleaders were the girls who got the J.V. teams fired up and ready at the rallies with their cheers and posters. They kept the team going throughout the game

The J.V.'s were very busy girls. This year they had workouts three days a week after seventh period, helped plan sports banquets, made spirit posters, and helped the Varsity Cheerleaders when they needed it. They also went to cheerleading camp to learn how to become better cheerleaders.

All in all, the J.V.'s were a really spirited group!

Frosh-Soph Generate Enthusiasm

The Frosh-Soph Spiritleaders were really enthusiastic this year. For a group just starting out, they did a great job promoting spirit among the student body and the football team

Their big job this year was to help the incoming freshmen learn the cheers and get in the spirit during games and rallies. They also submitted spirit notes to the athletes, served at banquets, and decorated for dances

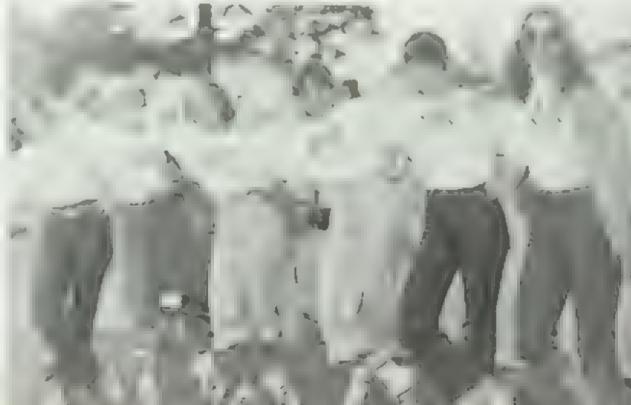

They did a great job for North High this year!

Rock was a vocational education class so students at North and inrough out the district could train and get the skills they needed for their selected tobs

Rock was made up of 850 students from different schools throughout the district who learned trades and were placed in jobs after their training

The students in Rock took the course during class hours for credits. The students could take one semester courses such as banking careers and telephone careers. Or, one and two year courses in programs such as agriculture, child care, carpentry, and culinary arts

Apollo was a group made up of kids who volunteered for jobs, went on field trips, searched for their family roots, almost anything that improved the mind

They took field trips to places such as Universal Studios for arts and drama, Knott's Berry Farm for history, and the coast for science. The students chose, planned, and were in charge of their own field trips and transportation.

This year Apollo sponsored The Crazy Olympics during fourth and fifth unch hours. It was to make I with and fifth just as tun as they could be and was open to anyone who felt like participating

This year's seniors were the last class to graduate in this decade. In their freshman year they had the problem of getting into the swing of high school. In their sophomore year they enrolled in drivers training and learned all the skills that every teenager finds useful. Their junior year was full of hard work and anticipation of their last year at North fire nally, their senior year approached Before they knew it, their years at North were over. The agony of giving up the senior quad, and leaving behind memories had finally come. They faced such decisions as college and careers. All in all, the class of 1979 was a very spirited group.

Linda Goen - Shining Star

Born on June 30, 1961, Linda Goen has lived in Bakersfield, California all her life. In addition to her running career, Linda has many hobbies, which include swimming, being active in the Fellowship Of Christian Athletes, and serving as the Curricular Vice-President of the ASB Linda is a member of the Church of the Nazarene

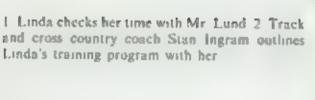

The Goen family is a very close one, and always support Linda in all of her activities. Her family includes her mother and father, as well as her two sisters Sandy and Sheri. Champ, a ferocious little brown and white cocker spaniel, is Linda's pet dog

Linda's dedication to her running really began when she started at North High. She has been the SYL cross-country winner for three straight years. She also won the Valley meets the same years, with her best two-mile time being 10-19.

In track, Linda has been very successful. For four years, she has been the winner of the SYL 880 with a best time of 2.05 4, and the mile, with a best time of 4.47. She won the Valley races too

As a freshman, Linda placed fourth in the 880 at the state level. As a sophomore, she placed second, and as a jumor she finished third. In the mile at the state level, she placed first as a sophomore, and third as a junior

At the National Junior Women's Track Meet, Linda, a sophomore, won the 880, and therefore qualified to compete against the Russians. The victory also allowed her to compete against the Japanese and the Canadians. She placed second that year, but the next time versus the Japanese, she finished first

It has not been as easy for Linda, however, as it may sound. A recurring back injury kept her out for six weeks of the 1978 season

Linda's best friend, Don Allsman, encouraged her much, and was very supportive in her running. "He made running more fun."

Some special awards Linda has re-

ceived are:
1977-"Athlete Of The Year"
1978-"James Tyack Award"
"Kern County Athlete of The Year"
"West Coast Relays Athlete Of The
Meet"

Blossom Week High Point..

This year, instead of just having a Biossom Day the executive board decided to have a Blossom Week. Blossom Week turned out to be a lot of fun Monday was sweats day, when the students and faculty wore their favorite sweats. Tuesday was disco day, when people wore tight pants, body suits and slinky skirts. Wednesday was Incognito day and the most common attire was dark glasses and a hat. Thursday was good guy-bad guy day, when everyone wore either white or black. And of course, Friday was T-shirt, hat and tie day. Blossom week also had activities during lunch, which included arm-wrestling contests and even a live band Tuesday the student body voted for Blossom Princesses. Elected were Tami Brooks, freshman, Joann Moore, sophomore, Viven Farnsworth, junior, and Pam Pemberton, senior. Friday ended the week with a Blossom Dance and the Crowning of our 1979 Blossom Day Queen, Pam Pemberton'

the most spirited class North High has ever had. With class officers Holly Correa as President, Jan Bowles as Vice President, Tami Brooks as Secretary, and Lori Bigler as Treasurer, how could they go wrong? The freshmen showed their spirit by sponsoring the Homecoming dance, and participating in the half decorating contest. Many hours of hard work and effort were put into their candy sales. Although getting used to high school can mean a lot of hard work and new adjustments, the class of '82 showed that they really knew how to have fun.

A Silhouette in the

High school - many and varied are the thoughts and feelings the word conjures in a student's mind

North High? For a student body population of two-thousand, three-hundred, North High represented a way lived through the many areas of education our school had to offer

There was the usual grind of classes with homework competing with other school activities, television's Mork and Mindy and of course the evening news reports on the real effects Proposition 13 had had on the community along with the ever enlarging and controversial issue of desegregation and busing.

The early weeks of the new year started, soon advanced toward the semester break and finals. Gone already was the crowning of the Homecoming Queen and the formal. Even the best football games had been relived and forgotten, while the most recent wrestling match became the topic. Even yet, the weeks progressed and Semiors let a little more of their wild-sides break loose while trying to sober to the thoughts of college and a new life to begin

Our school was known throughout Bakersfield and California. Singled out for special recognition was our Fine Arts Department, in particular our Grenadier Band, which placed well and excellently in the competitions it entered. The Choir and various singing groupsalso stood out, not only with their music but also with their various

Community

projects such as the Rock-a-thon, broadcasted over the evening news on two of our local T.V. stations. The ratings the Choir received at the Choir Festival, for all high schools in Bakersfield were to be envied, along with the award of highest attendance. Two members received bids for solos out of the three-hundred students who had competed for the positions

Our sports programs had much to offer, with several athletes receiving specal awards locally. Along with the several teams placing well in the Southern Yosemite League, we had a student track and cross country runner whom we expect to represent our community and our nation in the 1980 or 1984

Olympics.

But, what really makes a high school remembered and recognized with respect is its scholars. Public schools are places of education and academic ability to be proven. North High had many of our seniors accepted to the best colleges and academies in the United States. Many of the 1979 North High graduating class were bestowed with honors, awards and scholarships

What makes a high school stand out? No single things can be pointed to, except student participation and faculty concern. For it was not the campus, but the people that made North High what it was and will be for years to come.

North High - an outstanding example and silhouette in the community of Bakersfield.

Being the Editor of the 1979 Galaxy was a goal I succeeded in reaching by working for the top position. For the four years of my high school education, yearbooking was my outlet, my feeling of responsibility

It has opened many areas of communication that I may enter into for my college education, and has taught me not only the art of graphic layout design or how to write a piece of copy, but it has most importantly taught me that every person counts as being someone

important

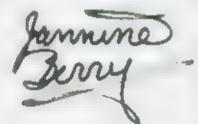

The production staff that I had the privilege of overseeing was the best staff I have worked with in the four years of my North High attendance. There have been times that none of these talented journalists knew it and felt very abused and overworked, but now that I can sit back and review the year, I would like to thank them all for their dedication and service

I would like to give a special thanks and parting smile to Mr. Bill Fisher, my advisor. He had to cope with my forceful "take-over and run my own way" attitude. Somehow neither of us lost an argument or had a serious disagreement with one another because a compromise always presented itself. I give to him all of my best wishes, and what patience I have left

There is one last parting message I would like every North High student reading this to remember: this book was published FOR the students BY the students!

My best wishes are sincerely presented to all of you

It's been alof of fun in ROTC with you, you are the future reador in this program. I hope you find what you are looking for In your tuture, I hope you have the best of luck in the future.

Friend Always ?

PS, I'll see you Don Wand sometime next year

I like using your Bic Banana to write whis thing, I skink you are me of the top cadet in the program at this time and you are really cool.

Fight Song

This is the North High fighting song.
We sing with pride and joy.
Through snow or rain we'll win our games,
High shall our purpose be.
Fight, fight, fight, for victory,
Our fame and glory too.
To fight to win or fight to do.
Yes, North High we are for you!

Alma Mater

Resounding from the foothills of the valleys
Our Alma Mater's praises ring.
Remembering the everlasting friendship,
We join together as we sing.
Let our praises reach the sky,
We shall raise our voices high
To her majesty, North High
